Easter is the biggest chocolate shopping holiday of the year. What's really going into the chocolate we buy? Be Slavery Free, Green America, INKOTA, Mighty Earth, and National Wildlife Federation surveyed the world's biggest chocolate companies to find out! Some are rising to the challenge of making cocoa sustainable, but others continue to ignore consumer demand for chocolate that's free of **deforestation**, **farmer poverty**, and **child labor**. This guide informs the choices of consumers like you. Together, we can transform the chocolate industry into one that prioritizes people and the planet.
